Dear Ms. Scindian:

This is in response to your letter to the Mark Pryor for U.S. Senate Committee, dated January 14, 2003, concerning the Committee's 30 Day Post-General Report (10/17/02 - 11/25/02).

In reference to the section of your letter concerning potential excessive contributions contained in Schedule A of the report, the following information has been determined by the Committee:

1. Eddie Christian and Eddie N. Christian are the same individual. A refund by the Committee has been made to Mr. Christian for the amount of his contribution which exceeds the limits set forth in the Act. A copy of that check is attached to this letter.

2. Laurie David, 212 Vance Street, Pacific Palisades, 90272, and Laurie David, P.O. Box 7563, Little Rock, AR 72217 are different individuals, with different addresses. Both contributions were made by credit card, with each individual submitting different credit card numbers.

3. The contributions to the campaign by Donald Munro exceed the limits set forth in the Act. A refund by the Committee has been made. A copy of that check is attached to this letter.

4. Lou Schickel and Louis E Schickel are the same individual. A refund by the committee has been made to Mr. Schickel for the amount of his contribution which exceeds the limits set forth in the Act. A copy of that check is attached to this letter.

5. The excessive contribution by Mr. Todd Woods was detected by the Committee on November 5, 2002. This contribution was refunded in full at that time, and the refund was noted in the 30 Day Post-General Report. A copy of the letter sent to Mr. Woods, along with a copy of the Committee's check to Mr. Woods, is attached to this letter.

6. According to information received from the Federal Election Commission, District No 1 - PCD MEMBA PAF and Professional Airways Systems Specialists are not considered affiliated by the Commission and have separate contribution limits. Therefore,

the contributions from these two PACs are not excessive contributions.

The Mark Pryor for U.S. Senate Committee has reviewed its procedures for processing contributions in order to avoid problems of this nature in the future.

In response to the section of your letter concerning transfers from joint fundraising committees, the Committee has reviewed in detail all transfers received by the Committee during this reporting period. The Mark Pryor for U.S. Senate Committee discloses its memo entries from its affiliated committees during the appropriate reporting cycle, and reports its transfers in on Line 12 of the Detailed Summary Page based upon the date the dollars are actually received by the Committee. All memoed entries, representing the Committee's share of the gross receipts from the original donors received by affiliated committees, were reported in full during various reporting periods of the 2002 election cycle. The discrepancies found in the 30 Day Post-General Report between the amount reported in Line 12 of the Detailed Summary Page and the amount reported in the memo Schedules A supporting Line 12, reflect the fact that after all allocable bills had been paid by the joint fundraising committees for the 2002 election cycle, those affiliated committees made a final distribution to each participating committee of any residual funds in their accounts. Those distributions were reported in Line 12 of the Detailed Summary Page.

In reference to the section of your letter concerning 48-hour reports, the Committee has determined the following information.

1) The contribution from The Shaw Group Inc./Stone & Webster Inc. PAC did appear in Schedule A of the report. It was reported on page 290. A copy of that page is included for your reference.

2). A contribution from Kimberly Reynolds was reported in a 48-hour notice as having been received on November 1, 2002. Due to a data entry error in the 30 Day Post-General Report, that contribution was reported as being received on November 5, 2002. We have corrected this clerical error.

The following contributions were received and reported by the Committee within the 48-hour notice period, as required by the Act. However, before the 30 Day Post-General Report reporting period ended, the contributions were either returned by the bank for insufficient funds, or the contribution was denied by a credit card company. The Committee did not include those contributions in its Post-General Report. They are as follows:

1) Jeffrey Goldberg, 20 North Clark Street, Suite 3100, Chicago, IL 60602. This credit card contribution was declined on October 30, 2002.

2) Ms. Lisa Barkett, 7541 Eads Avenue, La Jolla, CA 92037. This contribution was returned by the bank on November 5, 2002.

3). Ms. Linda Love, 4970 S.W. Hewett Boulevard, Portland, OR 97221. This contribution was returned by the bank on November 12, 2002.

In addition, a contribution of \$1000 was received by the Committee on October 25, 2002, from Mr. Charles Siegel, 7426 Kenshire Lane, Dallas, TX 75230. This contribution was reported on page 182 of the 30 Day Post-General Election Report, but due to an oversight by the Committee, a 48-hour notice was not filed by the Committee.

The Committee has reviewed its procedures for reporting contributions received during the 48-hour notice period to ensure that these types of omissions do not occur in the future.

We hope that this answers the issues raised in your letter. If you have any additional questions, or need any supplemental information, please do not hesitate to contact us.

Sincerely,

Randy Massanelli  
Assistant Treasurer
